Welcome to our first Church School Council newsletter of the year!

So far this year, we have supported in and around school, shared new ideas, and led our Harvest Festival in church.

During Collective Worship this year, we have discovered 'Trust', and also 'Spirituality', focussing on 'Self', 'Others', 'Beauty' and 'Beyond'. Here's where we've been seeing those things around school.

In Holly class, Lily says that Gabriele is very valuable and you can always trust her to help others, whilst Evangeline is always respecting others at school. Remember – The Donation Station is also now open!

In Ash class this year, Harvie says that Hayden is always trusting and helpful around school, whilst Martha thinks that Elsie W. is always truthful!

In Birch, Theo can always be trusted to do a good job and Noah is always kind and respectful towards others.

In Oak class this year, Miss Barks tells us that Hayden is always doing what he is asked, along with looking after friends in the classroom.

Have a lovely half-term break!
