Welcome to our second Church School Council newsletter!

This term, we have continued to support in classes, have been talking to teachers and students, coming up with new ideas, and supporting events within school and beyond. We also helped Mrs. Thompson in organising 'The Great British Spring Clean' for the local community.

We spent some time focusing on the theme of 'Justice' during Collective Worship this term, and how people should be treated fairly. Here's where we've been seeing it throughout our classes in school...

Chloe says that break times have been a lot more fair in school. When playing team sports, names are now placed in a box and drawn out by captains each day.

In Holly class, Zach continues to treat others fairly and equally no matter who they are.

In Ash class, Gabriele and Poppy have been great role models for how we treat others fairly here at Newton. They always see the best in those around them, and show kindness and respect to all.

In Birch class, Harvey and Preston have been "fair and nice" to everyone, both in class and around school.

In Oak class, Mrs. Jones tells us that Reuben and Edith have been just and fair throughout all that they do with others in their class.

Have a lovely break!

"Fairness isn't everybody getting the same thing. It's everybody getting what they need."

Thank you for reading!
