Welcome to our first Church School Council newsletter!

This term, we have spent time in classes, have been talking to teachers and students, coming up with new ideas, managing events within school, and always helping out where we can. We've also been working with Mrs. Thompson on how we can further support both our school and the local community.

We've been focussing on 'Courage' during Collective Worship throughout this term, so here's where we've been seeing it throughout school...

In Holly class, Jacob and Evangeline have been flourishing in some new areas and have been showing lots of new confidence throughout the term!

In Ash class, Esme and Bella have shown amazing courage and confidence in their learning this term. They have been flourishing by getting involved, raising their hands more and more, and contributing in each and every lesson.

In Birch class, Lily has been "flourishing so much" in her learning, stepping out of her comfort zone at times and coming out of her shell more and more.

In Oak class, Noah has been flourishing and building up his confidence. He has been courageous at some difficult times throughout the term!

Have a lovely break!

"Fear is a reaction.

Courage is a decision."
