Ash Class News

Aiming High and Enjoying the Journey!

As we come to the end of our first half-term at school, it's good to see children fully settled in Ash class this year!

As we round off some of our first topics, it's great to see knowledge growing so early. In RE, Freddie and Hayden have shown enthusiasm throughout our topic and have really flourished during 'Hinduism – God'.

During Science, everybody has been real keen throughout the term! We ended things by testing out some different variables and seeing the impact that they had.

As we progress through our Geography learning, we created some excellent maps of our local environment.

We're looking forward to some new, exciting learning next term!

Please remember to read, practise spellings, and spend time doing times tables at home when possible.

Have a lovely, restful break!

Best wishes,

Mr. MacDonald.

Every Opportunity to Flourish!

Arthur and Harvie have really flourished in their recent maths learning, looking at some tricky problems and using their knowledge and skills to break these down and finds the answer!

OCT

23.10.23- 27.10.23 Half-term

30.10.23 INSET

NOV

03.11.23 Hotdog & sparkler after school

10.11.23 Remembrance service 2pm

04.12.23 Dress rehearsal

06.12.23 Nativity 1:30-6pm

07.12.23 Nativity 9am

08.12.23 Pantomime

Living Well Together

Relationships have blossomed throughout the term and it's great to see friendships flourishing. Elsie W. has settled wonderfully since joining us at Newton!

Valued and Valuable

Elsie R. always seems to value her time at school. She's a friend to all and she's had a great first half-term as a Year Three. Well done!
