

Cycle 1 2025-26	Spring Other Worlds	
Text		
Mandatory Reading Texts	Harry Potter and the Philosophers Stone (writing) The Nowhere Emporium (writing) A Midsummer Night's Dream	
Mandatory Poetry	The Magic Box – Poem, Do You Want To Be A Wizard - Wes Magee - Poem	
Bible Quote	<u>Psalm 139:9-10</u> If I take the wings of the morning and dwell in the uttermost parts of the sea, even there your hand shall lead me, and your right hand shall hold me	
Trips	Young Voices, Spanish Day, Harry Potter	
Overall theme and focus	Magic, possibility and wonder.	
Courageous Advocacy and Agents for Change	As agents for change, the children will look at a topical issue from around the world to help other children from around the world. Watch Newsround every day.	
Science	Year 6 Electricity Building on work from LKS2, children further explore electricity. They develop their understanding of components and how they affect the circuits and also move to drawing more technical diagrams.	Year 6 Light Building on learning from LKS2, children learn more about light and local scientist, Isaac Newton who first discovered several things about how it works. Children learn how light travels into the eyes and how it moves in straight lines, thinking about what this means when creating shadows.

UKS2 Cycle 1 LTP

Geography	Espanol Children continue to learn about other parts of the world, undertaking another comparison between their own location of Lincolnshire and the Catalonia region of Spain. Children have learned more and more about Lincolnshire over the previous years, first comparing it to vastly different places and cultures of Beijing, China, then to the Yucatan Peninsula in Mexico. This time, as children are older, they are comparing to another European country where the comparisons may be more subtle. Children will be using new learning to think about land use and economy and bringing their knowledge from prior topics to think about settlements and climate. Children will be using a wide variety of maps, including digital, climate, topographical and road maps and considering which is the best map to use for different purposes. Children will be learning to read maps in more detail as they start to use 8 points on a compass and 6 figure references on maps. Children will be learning to cook a Spanish dish for D&T, learning more Spanish for MFL and studying 'Artist of Spain' for art, including Gaudi, from Catalonia.	
History		
Design & Technology	Spanish Food Food is covered each year in D & T as it is so important the children live well. This heavily Spanish themed topic gives children the chance to learn a savoury staple healthy meal, an omelet. They learn to make a Spanish omelet to their tastes by looking at existing recipes and tailoring the ingredients to their own palette. They will store, prepare and clean up correctly and hygienically throughout. Children will need to create their own recipe with cooking times, quantities and preparation instructions. Children will boil potatoes, soften onions and cook eggs for the omelet. Children will need to adjust seasonings and flavourings to their own tastes.	
Computing	Spreadsheets (6) (Microsoft, Apple & Google) 2BeSafe	Coding (5/6 – See coding breakdown table below) 2BeSafe
Art and Design	Artists of Spain As children have a strong Spanish theme to this topic, they learn about some artists from Spain. They study Antoni Gaudi and his works, especially those in Barcelona. They learn about his use of trencadis to decorate the statues and building he designed. They have a go at creating their own trencadis designs. They also learn about the Sagrada Familia, linked to geography, as a great feat of design and construction. Following on from learning about Salvador Dali and surrealism in LKS2, children learn about another modern famous artist, Pablo Picasso and cubism by studying and attempting to copy his style.	
MFL	Espanol Building on LKS2 learning, children will learn how to say and write sentences thinking about masculine and feminine and other grammatical considerations. They will be working more on having more back and forth conversations. Children are learning lots about Spain in their other learning this term, particularly the Catalan region.	
PE	TBC	TBC
Music	Dancing in the Street	
PSHE	Dreams and goals Year 5	Healthy me Year 5
RE	How do people choose between right and wrong? (Yr 6 topic) Lots covered, not just RWs
